

Webinar on Repair, Maintenance, Alteration, Addition (RMAA) – Scaffolding Works Safety and Recent Accidents Review

Date	Wednesday, 21 December 2022
Time	9:00am – 10:45am
Format	Webinar (online seminar)
Target	All Industry Stakeholders
Registration Fee	Free of Charge

About the Webinar

The Development Bureau and the Construction Industry Council are highly concerned about the recent fatal accidents related to the scaffolding works in RMAA and dismantling works in the construction industry. The Development Bureau, Construction Industry Council, Labour Department and the Hong Kong Construction Association will jointly organise a webinar in the morning of 21 December 2022, with a view to enhancing the safety awareness of the industry stakeholders. The speakers will share their experience with the related topics.

Notes

1. The webinar will be conducted in Cantonese. Enrollment will be accepted on first-come-first served basis.
2. It is suggested that participation in the webinar counts for 1.75 CPD hours.
3. A confirmation email with webinar link will be sent to successful applicants.
4. A notification email about e-certificate arrangement will be sent to eligible attendees (80% or above attendance rate) within 1 month after the webinar.
5. The organiser reserves all the rights for final decision of the webinar without prior notice.
