About the Webinar

The Development Bureau and the Construction Industry Council are highly concerned about the recent fatal accidents related to the temporary works and tower crane safety in the construction industry. The Development Bureau, Construction Industry Council and Labour Department will jointly organise a webinar in the morning of 16 September 2022, with a view to enhancing the safety awareness of the industry stakeholders on the safety of temporary works and tower cranes. The speakers, including regulator, client and contractor, will share the topic “Temporary Works Safety” from different perspectives.
